African American Women Playwrights Confront Violence book. Read reviews from world's largest community for readers. The pain of America's racial legacy h Read reviews from world's largest community for readers. African American Women Playwrights Confront Violence: A ...

African American Women Playwrights Confront Violence is a perceptive analysis of the works of nine women dramatic artists who have been largely (and unjustly) unrecognized in critical and academic institutions.

Professor Young's treatment invites readers to examine both the powerful impact of these artists works and to more fully understand the tragic impact of racial violence in America, especially against African American women. This book joins a distinguished tradition of redemptive African American Women Playwrights Confront Violence: A ...

The work also analyses the social protest plays of modern and contemporary dramatists Alice Childress, Sandra Seaton, Endesha Ida Mae Holland and Michon Boston. Of particular interest are the roles of black maternity and the pervasiveness of violence against black women in both the early and the later plays.
