Bill Kauffman in "Ain't My America" has delivered an informative, entertaining and passionate tour through almost two hundred years' worth of American conservative and middle class anti-militarism and anti-imperialism. This is a tradition that much of modern left and right would rather forget but Kauffman celebrates it.

Some pages are a mess of smeared ink.

Wow, it would be great to have Zinn & Kauffman on a panel together, since they both are presenting a dissenting historiography.) I had little idea that there
