Amara: Richard Laymon: 9780747267317: Books - Amazon.ca

It's about the resurrection of an Egyptian mummy named Amara. Richard Laymon is one of my favorite authors. I've read dozens of his books and liked every one. (Be careful that you don't accidental buy one of Laymon's fastbacks. Each of those contains just one short story. "The Hearse" is an example.)

Amara: A chilling and riveting horror novel by Richard Laymon

Laymon has been writing his brand (and it is a very distinctive brand) of horror books since the 80's and it is only now, in 2017, that I have read one of his books.
