America Alone. America Alone: The End of the World as We Know It is a nonfiction book by the Canadian newspaper columnist and writer Mark Steyn, published in 2006. It forecasts the downfall of Western civilization owing to internal weaknesses and the increasing Muslim population in Western countries and the world generally. A review of America Alone. By Mark Steyn. - CultureWatch

A review of America Alone. By Mark Steyn. Feb 2, 2007. Regnery, 2006. This is a very important book. Its analysis of geo-political conditions is top rate, and its assessment of the crisis we are in is as good as any. But there is one minor problem with this book. Because Steyn is such a witty and engaging writer, there might be the tendency for some to not take the book's message seriously. America Alone: The End of the World As We Know It: Mark ...

America Alone. Steyn postulates, is the last best hope to push back this cancer. For one the US is enlivening its nation with replacement birth rates. For another, there is a tradition of fighting for freedom although that too is on perilous ground with political correctness infecting America's leadership.

[America Alone: A new book by Mark Steyn](#)

America Alone: A new book by Mark Steyn Many years later, Mark Steyn's "America Alone" is still a very good book. Mark Steyn is a Canadian who writes about war, politics, the arts, and culture.

After September 11, I wondered rhetorically midway through a column what we in the West are prepared to die for, and got a convoluted e-mail back from a French professor explaining that the fact that Europeans weren't prepared to die for anything was the best evidence of their superiority: they were building a post-historical utopia - a [Politics & Current Affairs :: SteynOnline](#)

In its coverage of Sen. Edward M. Kennedy's passing, America's TV networks are creepily reminiscent of those plays Sam Shepard used to write about some dysfunctional inbred hardscrabble Appalachian household where there's a baby buried in the backyard but everyone agreed years ago never to mention it. In this case, the unmentionable corpse is Mary Jo Kopechne, 1940-1969. If you have to bring

AMERICA ALONE: The End of the World As We Know It ...

Praise for America Alone "Mark Steyn is a human sandblaster. This book provides a powerful, abrasive, high-velocity assault on encrusted layers of sugarcoating and whitewash over the threat of Islamic imperialism. Do we in the West have the will to prevail?"
