[Becoming Europeans? - Roger Scully - Oxford University Press](#)

This is a major new challenge to the widely held assumption that those working in EU institutions become more supportive of European integration. Theoretically advanced, and containing rich empirical data subjected to methodologically sophisticated analysis, *Becoming Europeans* forces us to reconsider our basic assumptions about the European

[Roger Scully - Wikipedia](#)

Roger Awan-Scully, FAcSS, FLSW, known as Roger Scully, is a British political scientist and academic. He wrote a book called *Becoming Europeans? Attitudes, Behaviour, and Socialization in the European Parliament*, and co-authored *Representing Europe's Citizens? Becoming Europeans?: Attitudes, Behaviour, and ...*, *Becoming Europeans?: Attitudes, Behaviour, and Socialization in the European Parliament* Roger Scully Abstract. Contemporary political science assumes that institutions matter. But the governing institutions of the European Union are widely presumed to matter more than most. A commonplace assumption about the EU is that those working within European institutions are subject to a pervasive

[Becoming Europeans: Attitudes, Roles and Socialization in ...](#)

A central assumption in many accounts of European integration is that EU institutions socialize those within them into becoming progressively more pro-European. This "going native" effect has been frequently discussed, but rarely tested. This study presents a long-overdue challenge to these widespread assumptions. Drawing on extensive empirical research on the European Parliament, Roger Scully
