"Greene's book, however, shows that the clash between very different kinds of violence, that of the visionary path of the warrior and that of paper, still changes lives, and the conditions of life, in the Upper Amazon . . . [Customizing Indigeneity] makes an important contribution as the first general ethnography of the Aguaruna in English. Its virtue is that it has cleared a path for future ethnographers to try to fathom the violence of the warrior and of the rentier as well. I believe that

L. Shane Greene: Core Faculty: About: Department of ...

The result is a recently published book titled Customizing Indigeneity about the indigenous Amazonian movement. The book is an ethnographic history of the role of the Amazonian movement in Peruvian politics and culture. And it examines indigenous politics in this context by offering a novel theoretical framework via the concept of customization and a critical reading of contemporary debates.
