ECONOMIC INDETERMINACY Yanis Varoufakis
What is both startling and scandalous about economics is the surreptitious conversion of the economists' theoretical Waterloos into discursive triumphs, which then unashamedly prop up toxic economic policies and toxic financial products .

PREFACE Yanis Varoufakis

PREFACE This is a book about failure and power. Most of us were raised to imagine that power stems from success, not failure. It thus seems odd to be focusing on failure and power, especially when suggesting, as this book strongly does, that massive failure has been the cause of spectacular success.
