Thoroughly updated and substantially rewritten, the second edition of this popular textbook is now even more relevant and useful for students and researchers. In this accessible introduction to the methods of ethnographic fieldwork, Hammersley and Atkinson reconsider the status of ethnography and seek to place it quite explicitly in a general

[Ethnography, principles in practice / | University of ...](#)

In this accessible introduction to the methods of ethnographic fieldwork, Hammersley and Atkinson reconsider the status of ethnography and seek to place it quite explicitly in a general methodological context. Ethnography provides a systematic and coherent account of ethnographic principles and practice. Rejecting the over-simplified contrast between 'positivism' and 'naturalism', but also

Now in its third edition this leading introduction to ethnography has been thoroughly updated and substantially rewritten. It offers a systematic introduction

to ethnographic principles and practice. New material covers the use of visual and virtual research methods, hypermedia software and the issue of ethical regulation. There is also a new

Focused Ethnography: A Methodological Adaptation for ...

Most ethnography has been directed toward building disciplinary knowledge rather than solving practical problems (ATKINSON & HAMMERSLEY, 1994). Interest in focused ethnography has been generated mainly within the practice disciplines and industry. There is a drive for research evidence that can be produced in a timely fashion in order to inform policy- and practice-relevant decision-making

ETHNOGRAPHY Principles in Practice - Jyv skyl n yliopisto

ETHNOGRAPHY Principles in Practice MARTYN HAMMERSLEY PAUL ATKINSON TAVISTOCK PUBLICATIONS LONDON AND NEW YORK 1993, x + 248 pp. Ethnography: Principles in Practice is an important methodological principles in social research, nor do they privilege ethnography over other methods in any absolute way. While it is tempting to react against the tendency of some methodologists to treat ethnography as

Ethnography : Paul Atkinson ; 9780415396059

About Paul Atkinson Martyn Hammersley is Professor of Educational and Social Research at the Open University. His early research was in the sociology of education, focusing in particular on teachers' perspectives, patterns of classroom interaction, and assessment regimes.

Ethnography - Qualitative Research Guidelines Project

Atkinson & Hammersley (1994, p. 248) Ethnography usually refers to forms of social research having a substantial number of the following features: a strong emphasis on exploring the nature of particular social phenomena, rather than setting out to test hypotheses about them; a tendency to work primarily with 'unstructured' data, that is, data that have not been coded at the point of data
