Face Value: The Entwined Histories of Money and Race in ...

"Michael O Malley's witty, insightful Face Value traces the American quest for a stable source of value in a society that prized freedom. Through deft analysis of a wide range of sources, O Malley shows that arguments over money and arguments over race have had much in common, and indeed, have often intersected in the United States in Face Value: The Entwined Histories of Money and Race in ...

Face Value: The Entwined Histories of Money and Race in ...

In Face Value, Michael O Malley provides a deep history and a penetrating analysis of American thinking about money and the ways that this ambivalence unexpectedly intertwines with race. Like race, money is bound up in questions of identity and worth, each a kind of shorthand for the different values of two similar things. O Malley illuminates how these two socially constructed hierarchies
