Good Wives by Margaret Forster

A discourse on what it meant to be a 'good wife' from 1850 to present(ish) day, using three women as case studies. Margaret Forster herself was not comfortable with the idea of being a wife, due to the uneven nature of the married relationship that it created (the bride pledges to to honour and OBEY, and the groom does not).

Good Wives? | Book Review | The Reading Room

Good Wives? or should that be Bad Husbands? We believe

that Ms Forster must have a rather low opinion of the male species as a whole. This attempt at a feminist agenda is weak and clumsy, serving only to give the impression that her notes had been badly edited with themes, ideas, words and verbs repeated ad infinitum.
