Greetings from the Flipside by Rene Gutteridge - Goodreads

"Greetings from the Flipside" is definitely unlike any other novel that I have read in the past few years. Rene Gutteridge and Cheryl McKay create two intertwined stories with the same characters but one big difference: one of the stories is a dream. Hope is living her life in a coma, and embarking on new adventures in her mind, including a move to New York City and a new job. Meanwhile, in the real world, she is lying unconscious in a hospital bed, with Jake, a childhood acquaintance by her side.
