[Insights into Second Language Reading - Assets In Insights into Second Language Reading: A Cross Linguistic Approach](#), Professor Keiko Koda provides a comprehensive, psycholinguistically oriented introduction to the cross linguistic study of reading in a second language (L2). Her goal is to establish a clear conceptual foundation for research on L2 reading competence (as distinct from necessary, but insufficient, general L2 linguistic proficiency) and its acquisition within well defined, empirically testable frameworks. The main [Insights Into Second Language Reading: A Cross-Linguistic ...](#)

This critical volume, provides an in-depth analysis of second language reading's multiple dimensions. The paperback edition describes the complexity of reading and explains how reading differs in a first and second language.

review: [Insights into Second Language Reading - NFLRC](#)

Koda's previous research has been mainly about first language (L1) to second language (L2) transfer of reading skills, and the impact of different writing systems on L2 reading ability. Thus, it is not surprising that she is particularly strong on these two issues, especially transfer, a
