Itoh does provide some background on some of the protagonists involved in the mass killing of zoo animals during ww2, but mainly it's a grim list of species, dates, and methods of killing. I don't dispute that this is a very important and powerful book that is probably exceedingly difficult to make "readable".

Absence of Studies of Japanese Zoo Policy during World War II More surprisingly, to the knowledge of this author, there is only one solid book written in any language that exclusively studies Japanese zoo policy during World War II: Akiyama Masami, *D-butsuen no sh-wa-shi* (Sh-wa-era History of Zoos, 1995). However, even this is not a comprehensive work on the subject, because it lacks a
