Language Transfer by Terence Odlin - Cambridge Core

Odlin analyzes and interprets research showing many ways in which similarities and differences between languages can influence the acquisition of grammar, vocabulary, and pronunciation. In addition, he provides a detailed look at work on other areas important for the study of transfer, including discourse, individual variation, and sociolinguistic factors. Language teachers, applied linguists, and educational researchers will find this volume extremely valuable to their work.

Terence Odlin | Department of English

Terence Odlin. He is the author of Language Transfer and of articles on language acquisition, English as a second language and the English language in Ireland. Odlin is the

editor of *Perspectives on Pedagogical Grammar* and co-editor of *Language Contact, Variation, and Change* and *Studies of Fossilization in Second Language Acquisition*.  
**Language Transfer: Cross-Linguistic Influence in Language ...**

The author shows how similarities and differences between languages can influence grammar, vocabulary, and pronunciation acquisition. Terence Odlin reconsiders a question that many language teachers and educational researchers have addressed: How much influence can a learner's native language have in making the acquisition of a new language

**Language Transfer: Cross-Linguistic Influence in Language ...**

How much influence can a learner's native language have in making the acquisition of a new language easy or difficult? The effect a native language can have on acquiring second language skills is examined in this study of how linguistic transference can influence the learning of grammar, vocabulary and punctuation.

**Language Transfer and Cross Linguistic Studies: Relativism ...**

This article takes an account of language transfer and cross-linguistic studies. Its relativism, universalism, and the native language are the focal point. Language transfer, or cross-linguistic influence, has long been a topic that many in applied linguistics have pondered, even though some have doubted its importance. In recent work on  
**Second Language Transfer During Third Language Acquisition**

Second language transfer during third language acquisition | *Second Language Transfer During Third Language Acquisition* Shirin Murphy | Teachers College, Columbia University  
**ABSTRACT** A recent focus in the study of cross-linguistic influence is the role of transfer during third language acquisition. How do the learner's first and second languages influence the acquisition of a third language
