Mother & Child Mother & Child is a novel of appearance and disappearance, and the intense mystery of existence. A mediation on life and death, being and non-being, and the intense mystery and beauty of existence, Maso's new novel follows a mother and child as they roam through wondrous and increasingly dangerous psychic and physical terrain A MOTHER AND CHILD by Carole Maso | Kirkus Reviews

Frequent elliptical references to falling towers and a burning city suggest that the Valley where Maso's mother and child live is a place to which people fled after some catastrophic event that both is and is not the World Trade Center attack. The author's intent is clearly non-naturalistic: The novel opens with a tree splitting in half, emitting a torrent of bats and a stream of light

In Maso's first novel since 1998's *Defiance*, a mother's fears for her young daughter are revealed through dreams and surreal events woven haphazardly between reality and illusion. After a

Mother and Child - The Collagist - The Collagist

Carole Maso's *Mother and Child* is by turns haunting and magical as it explores the deep connection between a mother and her child. Neither is ever referred to by name, though other characters are, and the ambiguity of the pronouns only adds to this sense of closeness: when the she is unclear, Maso could be referring to either the mother or the child or, perhaps, to both of them.
