Pain & Wastings is a surprising book. It's filled with suspense as through out the book you wonder what happened to Ethan's (main character)mother. I think if I was ever in a situation like this I would a have a similar reaction to Ethan because what he went through was traumatising, expecially at such a young age. I recommend this book.

Author Carrie Mac's latest addition to Orca's 'hi-lo' "Soundings" series is a compelling read. In Pain & Wastings, Mac, herself a paramedic, has created a fast-moving and convincing plot. While cogently viewed from
