Product Description Social work education has recently undergone major changes, with anti-discriminatory practice being a high priority area in professional training. [Psychology for Social Workers: Black Perspectives - Lena ...](#)

Psychology for Social Workers is designed to help qualifying and practising social workers to understand and counteract the impact of discrimination, work in an ethnically sensitive way and demonstrate an awareness of ways to combat both individual and institutional racism through anti-racist practice.

[Cross-Cultural Child Development for Social Workers - Lena ...](#)

Social workers today operate in an increasingly ethnically diverse society, yet many of the models that they use fail to reflect that diversity. Lena Robinson's exciting and innovative text draws on literature from Britain and North America to explain child development from a cross-cultural, black and ecological perspective.
