**Recent developments on money and finance: an introduction ...**

I want to thank Barbara Fess, of Springer-Verlag, for excellent editorial help. All the articles, except two, were published in the special issue of *Economic Theory* 24 (4), 2004, 727-732, which collected papers presented at the conference *Recent Developments in Money and Finance* held at Purdue University in May 2003.

**Recent Developments in International Money and Finance ...**

*Recent Developments in International Money and Finance*, Editor: Ronald MacDonald, University of Glasgow.

Abstract: This special issue is designed to bring together some of the recent cutting edge research in the area of International Money and Finance (IMF). Both theoretical and empirical papers will be considered and the topic of the paper should clearly fall within the scope of IMF.
