[The age of abundance : how prosperity transformed America ...](#)

In *The Age of Abundance*, Brink Lindsey offers a bold reinterpretation of the latter half of the twentieth century. In this sweeping history of postwar America, the tumult of racial and gender politics, the rise of the counterculture, and the conservative revolution of the 1980s and 1990s are portrayed in an entirely new light. Readers will learn how and why the contemporary ideologies of left
