The First Barbary War (1801-1805), also known as the Tripolitanian War or the Barbary Coast War, was the first of two wars fought between the alliance of the United States and several European countries against the Northwest African Berber Muslim states known collectively as the Barbary states.

[Frank Lambert , The Barbary Wars ... - Oxford Academic](#)

Lambert's thesis is that economics rather than religion was the crucial issue, or, as he puts it, the Barbary Wars were primarily about trade, not theology, and that rather than being holy wars, they were an extension of America's War of Independence (p. 8).

Frank Lambert's genius is to see in the Barbary Wars the ideal means of capturing the new nation's shaky emergence in the complex context of the Atlantic world. Depicting a time when Britain ruled the seas and France most of Europe, The Barbary Wars proves America's earliest conflict with the Arabic world was always a struggle for economic advantage rather than any clash of cultures or religions.

The Barbary Wars: American Independence in the Atlantic ...

Frank Lambert's "The Barbary Wars: American Independence in the Atlantic World" is one of the better books about the Barbary Wars. It does a good job at covering the political and religious views of those living in the United States and the various Barbary Nations. It also touches on these same views of those living in Europe. "The Barbary Wars" is far superior in these areas than either

I had only encountered the Barbary Wars as a sidenote in other historical texts, so it was good to get the whole story from beginning to end like this. Lambert does an excellent job of conveying the facts and placing the conflict in context of the other major events of early US history (the Constitution, War of 1812, etc.).
