In *The Bonemender's Oath*, the threat is more personal, as both Gabrielle and her brother Tristan must fight for their lives and for those they love. *The Bonemender's Choice* introduces a new generation and a new land, as Gabrielle and her friends seek to rescue two children kidnapped by seafaring pirates, following them to a land where plague threatens friends and foe alike.

CM Magazine: The Bonemender's Oath.

Hugely satisfying, the chapters of *The Bonemender's Oath* are broken down to follow the characters, of Tristan and Rosie, Gabrielle and Foolan, and young Derkh. Highly Recommended. An avid fantasy reader, Libby McKeever is a library technician who works in the library at Whistler Secondary School in Whistler, BC.

The Bonemender (The Bonemender, #1) by Holly Bennett

The Bonemender is a category of its own and Holly Bennett did an exceptional job taking many of the things I loved in *Lord of the Rings* as she wove a wonderful tale about a woman re-discovering herself in the heat of an impending war and struggling with choices that can change her life forever, at the risk of her life and her own heart.
