The Psychology of Working: A New Framework for Counseling ...

The authors present the psychology of working perspective (D. L. Blustein, 2006; N. Peterson & R. C. Gonzales, 2005; M. S. Richardson, 1993) as an alternative to traditional career development theories, which have primarily explored the lives of those with choice and volition in their working lives. The major historical and conceptual features of the psychology of working are reviewed.

Psychology of Working: A New Perspective for a New Era ...

This chapter serves as an introduction to The Oxford Handbook of the Psychology of Working. The two foci of the psychology of working, a critique of existing discourses about work and career and a framework for a new perspective for understanding the psychological nature of working, are reviewed. A brief synopsis of each of the sections and
