Renowned psychologist Dan P. McAdams suggests that the key to American identity lies in the stories we live by. And the most powerful life story in America today is the story of redemption. On a broad societal scale and in our own private lives, we want first and foremost to transform

our suffering into a positive emotional state, to move from pain and peril to redemption. American identity is the redemptive self. Based on 10 years of research on the life stories of especially caring and

**About Dan McAdams :: The Redemptive Self: Stories ...**

Professor McAdams is the author of *The Redemptive Self: Stories Americans Live By* (Oxford University Press, 2006). Integrating research he and his students have conducted over the past 15 years, *The Redemptive Self* charts a new psychology of American identity as expressed in cultural and historical American texts and images and in the life stories of caring and productive American adults in their midlife years.

**Dan P. McAdams - Wikipedia**

Dan P. McAdams (born February 7, 1954) is a professor and chair of the Department of Psychology at Northwestern University. He was raised in Gary, Indiana, where he attended nearby Valparaiso University.

**Moral Personality, Generativity, and the Redemptive Self**

In contemporary American society, the redemptive self is a particular kind of life story, or narrative identity, that supports a caring and productive life in midlife.
