More than a century later, J.F. Powers built an entire career on this national tendency. And nowhere did he capture the sacred-and-profane balancing act with more amusement than in his 1975 novel, *Wheat That Springeth Green*.

**J. F. Powers - Wikipedia**

James Earl Powers (July 8, 1917–June 12, 1999) was an American novelist and short-story writer who often drew his inspiration from developments in the Catholic Church, and was known for his studies of Catholic priests in the Midwest.
