Post Mortem (Collins and Griffiths, #1) by Kate London

Post Mortem is an unusual novel and quite compulsive in its own way but there is very little actual crime in the main plot. It opens with the death of a policeman and a young immigrant woman who fell from the roof of a tower block.

Rochampton Institute of Higher Education. If expansion was the watchword in teacher education in the 1950s and 1960s, the 1970s brought a significant turnabout, with the Conservative Secretary of State, Margaret Thatcher, announcing in 1972 swingeing cuts in the numbers of students training to be teachers.
